

MEDIA RELEASE

Strathalbyn Community Children's Centre

24 February 2023

This morning on Friday 24 February 2023, Alexandrina Council was advised by a concerned community member that the Strathalbyn Community Children's Centre would cease trading from 6:00pm this evening, due to financial pressures. We understand that families were notified of the closure last night.

The Council understands the challenges that this closure will have on our community, and we are committed to working with the Strathalbyn Children's Centre Management Committee and the Department of Education to explore all avenues to enable the Centre to reopen as soon as possible.

Discussions are already underway between Council and the Department of Education. We will share further information with the Community as it comes to hand.

Quotes can be attributed to Nigel Morris, Chief Executive Officer.
