

Dear Neighbour,

This is a friendly anonymous note to bring to your attention, as you may not be aware that your cat(s) has/have been:

- Fighting with other cats
- Yowling
- Using my garden as a toilet
- Spraying urine
- Hunting native wildlife

As you can appreciate, not everyone welcomes cats wandering onto their property and trust this matter can be resolved amicably.

Thank you for your understanding.

Kind regards,

Your Neighbour
