2022/23 Grants Program

31 August 2022

Alexandrina Council is once again supporting community groups, businesses, and individuals in the 2022-2023 Grants Program to enhance our incredible region. This program endeavours to financially support a range of projects and activities that contribute towards a Liveable, Green and Connected Alexandrina and support our communities to thrive.

Each year, Council provides financial support to provide the opportunity for local groups and people to enhance our community in the following categories:

- Community Environment Grant
- Community Events Grant
- Community Wellbeing Grant
- Heritage Grant
- Vibrant Communities Grant

Along with these, Christmas is fast approaching which means the Community Christmas Contributions program will also be available to the community. This program is to provide support for community groups within the Alexandrina region to engage the community in Christmas activities or events that stimulate community interest, encourage participation and foster community Christmas spirit.

Applications will also be available for the Youth Sponsorship Program. This program recognises the positive contribution young people make to community life and the importance of providing opportunities for personal growth and capacity building.

The Alexandrina Council 2022-2023 Grants Program opens on Thursday, 1 September 2022 at 9am. Online applications will be accepted until 4pm on Friday, 30 September 2022. Guidelines for each grant category and a link to the online application forms will be available on Council's website at alexandrina.sa.gov.au/grants from 1 September 2022.

For further information, please contact Alexandrina Council on (08) 8555 7000 and speak to Council's Grants Officer.
