Alexandrina encourages young people to connect during SA Youth Week: 15 - 24 March

15 March 2024

Young people in the Alexandrina region are encouraged to join their peers for a variety of activities on the Fleurieu and the Adelaide Hills during SA Youth Week (SAYW) this month.

SAYW is a celebration of South Australia's young people with events and program running across the State from Friday 15 March until Sunday 24 March 2024.

Supported by the Department of Human Services (DHS), SAYW is held every year and celebrates youth, aged between 12 to 25, and recognises their positive contribution to their local communities.

Alexandrina Council Mayor Keith Parkes says SA Youth Week is an opportunity to recognise the valuable impact young people make to our Liveable, Green, and Connected Alexandrina.

"Our young people are the next generation of community leaders. It's important to support their development and provide them opportunities to grow and connect" he said.

SAYW is an excellent opportunity to try out some of the youth-focussed activities on offer in the region with youth groups, hang out groups, theatre and film, dance, art and craft and Dungeons & Dragons activities and events in Milang, Goolwa, Victor Harbor, Strathalbyn and Mount Barker.

A variety of events and activities suited to young people are happening around South Australia. These events can be found on the Department of Human Services website at www.dhs.sa.gov.au.

Young people are encouraged to celebrate SAYW by participating in an event or activity in their local community.
