Council Member Training and Development Register 2023-24

includes Mandatory Training completed for current term of Council (from November 2022)

Section 80A of the *Local Government Act 1999* (the Local Government Act) and Regulation 8AA of the *Local Government (General) Regulations 2013* (the General Regulations), sets out the legal requirements for training and development for council members. A council member must comply with the prescribed mandatory requirements, which includes the LGA Training Standards. Failure to comply will result in a suspension of the council member by Council (unless the member satisfies the council there were good reasons for the failure to comply). A council member must undertake the Mandatory Training within the first 12 months of their four-year term.

Subsection 80A(2h) of the *Local Government Act 1999* requires the CEO to maintain a register relating to training and development of council members. This is a register of scheduled and completed mandatory and non-mandatory training.
