

MEDIA RELEASE

Strathalbyn Junior Football Carnival

6 May 2022

The Strathalbyn Football Club with support from Council have secured \$10,000 from the Federal Government's Regional Sport Events Fund to facilitate a Strathalbyn Junior Football Carnival in September 2022. The funding program seeks to support regional councils to host sporting events for community involvement and is set to boost participation in sport across the Fleurieu and the local economy.

Held over consecutive Saturdays, the two-day carnival will be held on the Strathalbyn Recreation Grounds at Fitzpatrick Road, Strathalbyn, home of the Strathalbyn Strikers Football Club. The event will provide opportunity for community members spanning from Under 8 through to Under 17 years to be involved and compete against teams from beyond their usual leagues, with clubs from across Adelaide Hills and Fleurieu Peninsula participating.

"We are pleased to support this event and thankful for the Federal Government funding for this Junior Football Carnival which will provide opportunity for participants to expand their social networks, be inspired by specialist coaching, and encourage our youth to lead an active and healthy lifestyle," said Mayor Keith Parkes.

Further event details will be made available on the Council website once available, visit www.alexandrina.sa.gov.au/events for upcoming events in the region.
