    - Coastal – Fridays door to door pickup to Victor Harbor
    - Strathalbyn and surrounds – 3rd Thursday of the month
- All transport requests are required to be booked three business days ahead and transports services are subject to availability.
- Eligibility conditions apply.
- Over 65 – new clients must register or be prepared to register with My Aged Care 1800 200 422.
- Under 65 – must be transport disadvantaged, not able to drive themselves or have access to someone who can drive them.

My Aged Care

For eligible residents over the age of 65 (50 years or older for Aboriginal or Torres Strait Islander people).

If you are transport disadvantaged and meet the eligibility criteria transport may be available through Aged Care service providers.

A referral through the My Aged Care (MAC) system will be required before accessing transport services.

Referrals will be through the Stay-at-Home program.

To register and find out more about the assessment process and services available please contact My Aged Care 1800 200 422.

Transport with Milang Old School House Community Centre (MOSHCC)

Transport referrals are required through the My Aged Care system for the Stay at Home program. MOSHCC have funding to provide transport for eligible and registered residents.

Service availability is based on MOSHCC's capacity to deliver services.

Lakes Home Care (LHC) also provide transport for Home Care Package and NDIS recipients who are plan managed. Variable cost related to support worker hourly cost-plus KM rate.

Residents who are not eligible for services such as Stay at Home or NDIS may be able to be assisted through contacting MOSHCC to discuss your individual circumstances.

Contact – MOSHCC or Lakes Home Care on 8537 0687.

Taxi Vouchers

Website: South Australia Transport Subsidy Scheme (SATSS)

People with permanent and severe disabilities that limit their ability to use public transport may apply for subsidised taxi fares:

- 75 per cent subsidy for people who are confined to a wheelchair.
- 50 per cent subsidy for people who are not confined to a wheelchair.

Application form available online and needs to be partly completed by a medical practitioner.
