Transport options for Alexandrina Residents in and around Strathalbyn

Public Transport

Adelaide Metro 1300 311 108

- Daily trips Strathalbyn to Mount Barker via Wellington Road Monday to Friday, [Current timetable](#)
- Adelaide Metro run a bus on school days between Langhorne Creek and Mount Barker via Strathalbyn [Current timetable](#) .

For eligible residents over the age of 65 (50 years or older for Aboriginal or Torres Strait Islander people).

If you are transport disadvantaged and meet the eligibility criteria transport may be available through Aged Care service providers. A referral through the My Aged Care (MAC) system will be required before accessing transport services. Referrals will be for the Commonwealth Home Support Program (CHSP). To register and find out more about the assessment process and services available please contact [My Aged Care](#) 1800 200 422.

Hills Community Transport (facilitated by the District Council of Mount Barker)

Hills Community Transport (HCT) is a service that provides information about local transport options in the Adelaide Hills, Mount Barker and Strathalbyn areas. HCT can provide information about local bus, taxi, and community transport services. Bookings are essential with at least 3 clear working days' notice recommended.

It is best to make metropolitan appointments between 10.00am and 2.00pm to keep waiting times to a minimum.

- Medical appointments in, Strathalbyn, Adelaide or Mount Barker
- Shopping Bus – Once a month on a Monday to a major shopping centre outside of Strathalbyn.

HCT is funded by the Australian department of Health, Government of South Australia, Australian Department of Human services, District Council of Mount Barker, Adelaide Hills Council and Alexandrina Council.

Transport with Milang Old School House Community Centre (MOSHCC)

Transport referrals are required through the My Aged Care system for the Commonwealth Home Support Program (CHSP). MOSHCC has CHSP funding to provide transport for eligible and registered residents. Service availability is based on MOSHCC's capacity to deliver services.

Lakes Home Care (LHC) also provide transport for Home Care Package and NDIS recipients who are plan managed. Variable cost related to support worker hourly cost-plus KM rate.

Residents who are not eligible for services such as CHSP or NDIS may be able to be assisted through contacting MOSHCC to discuss your individual circumstances.

Contact – [MOSHCC](#) or [Lakes Home Care](#) on 8537 0687.

Taxi Vouchers

[South Australia Transport Subsidy Scheme \(SATSS\)](#)

People with permanent and severe disabilities that limit their ability to use public transport may apply for subsidised taxi fares:
