

## COMMUNITY MEMORIAL BRICKS

Purchasing a Community Memorial Brick allows both residents and visitors of the Alexandrina Council to have a unique and lasting memorial inscription for their loved ones at any of the 4 thoughtfully selected picturesque locations shown in this brochure.

The locations are typical of the townships and coastline where the community live, visit and enjoy. At each location there is a brick paved area for the Memorial Bricks and a park bench overlooking the scenery.

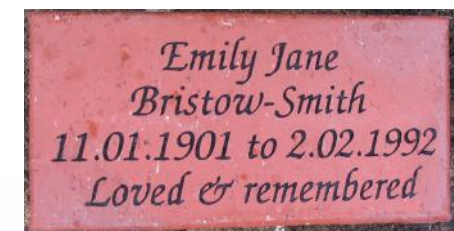

To apply for a Memorial Brick, please complete and return the application form attached.

There is a maximum of 42 characters per Brick with 14 characters per line over 3 lines being preferred however 4 lines are an option. The cost of the memorial brick is detailed in Council's current Schedule of Fees & Charges

A proof letter will then be sent for you to view your inscription. Once you return the signed proof an invoice is issued and you will be notified when the brick is in place and ready for you and your family to visit.

These bricks are for memorial purposes only. The personal details of the deceased are not recorded in the burial register.

No Cremated remains can be interred at these sites, although the scattering of ashes is permitted. Please use your discretion in consideration of other members of the public.
