Community Connect

Alexandrina Council

COMMUNITY CONNECT

(Strathalbyn & Alexandrina region)
Links people to their community by connecting individuals, organisations and volunteers .

Community Connect provides support to remain independent at home and connected to the community. Limited services are available to those most in need.

Services may include assistance at home depending on the level of need and program resources. These services may include home help, home maintenance & minor modifications and incur subsidised fees.

If you are aged over 65 years of age and are interested in participating in any of the programs please register with MY AGED CARE on 1800200422 or myagedcare.gov.au. Otherwise call us to discuss programs as full fee paying participants are welcome.

Access to services is determined by eligibility, level of need and program resources. Services enhance the independence and wellbeing of older people ensuring a local response within the Alexandrina Council. Priority is given to those who are at risk of social isolation.

Younger adults who experience a disability may be eligible for some services which are also available to unpaid carers.

THE COMMUNITY HUB

The Community Hub links people with opportunities to get involved in their community. Activities build on health and wellbeing through participation in programs, activities and community life. This is an intergenerational space for the community to meet, share and contribute.

VOLUNTEERING

Want to get involved in your community?
Opportunities exist to be a volunteer within the Community Connect Programs . Benefits of volunteering include:

- * Being involved in your community
- * Free training opportunities
- * Meeting new people
- * Being part of a dynamic team
- * High levels of job satisfaction
- * Civic participation
