

Septic Tanks

Connected to Council's Wastewater System

COUNCIL RESPONSIBILITIES

- We will manage & treat your wastewater
- We will maintain and service the pipes that are external to your property
- Maintain & service the pumps, rising mains & wastewater treatment plants
- We will facilitate for you to have your septic tank pumped out approximately every 5 years

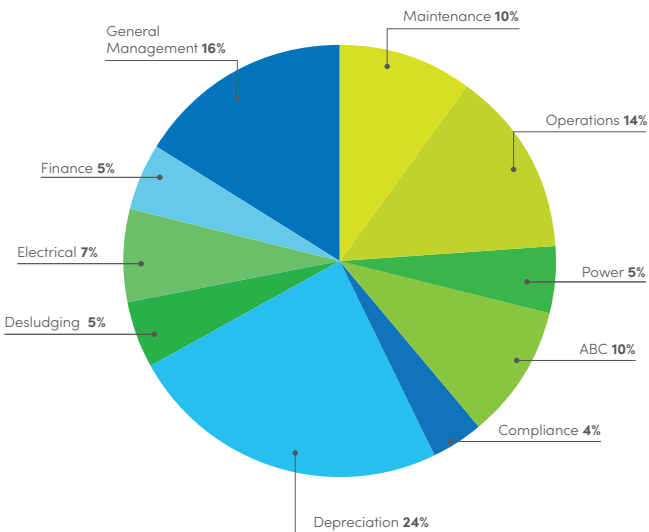

YOUR RESPONSIBILITIES

- When you receive a letter from the contractor, call & arrange a time for them to pump your tank
- Ensure the tank lid is exposed at the agreed time
- Use septic tank friendly chemicals
- Don't flush wipes
- Minimise fats and oils you put down your drains

WHERE DO YOUR WATER INDUSTRY FEES GO?
