## **MOTOR SPORT EVENTS CRITERIA – PART B**

**Applicants must address the following criteria and provide their proposal on a separate document. This document (Part B) is to be submitted with the application form (Part A).**

Given the impact on the wear and tear of local roads, potential for environmental harm, inconvenience to neighbouring property owners and potential public safety risks, Council will consider the merit of each application with consideration to specific criteria.

Outline and provide evidence on the following criteria:

- CAMS Event Organising Permit number;
- the proponent's community engagement plan;
- the proponent's risk management plan;
- general community support for the proposal;
- the attitudes of all property owners affected by the proposal;
- how proposed road closures are proposed to be kept to a minimum in order to reduce disruption to residents;
- economic benefit of the proposal to Council's area and the economy of the State;
- traffic management arrangements that will be adopted if the proposal is approved;
- consideration that has been given by the proponent to minimise the impact of the proposal on local, business and tourist traffic and considerations of alternative routes;
- the proponents experience in delivering similar events;
- arrangements that will be in place to make good any damage to Council or private infrastructure and to clean-up the route at the conclusion of the event;
- the environmental impact of the proposal and measures proposed to be taken to minimise the impact on the environment;
- arrangements that are in place with Police and Emergency Services;
- measures to be taken by the proponent to protect public safety and public property;
- measures to be taken by the proponent to prevent damage to Council's infrastructure;

- how the event supports the community and what charitable benefits are associated with the event; and
- compelling positive aspects associated with the event.
